Suicide Prevention

LEARN® SAVES LIVES

Thursday, October 24th at 6:30pm
South Whidbey Community Center

723 Camano Ave, Langley, WA

SUICIDE PREVENTION IS EVERYONE'S JOB.

Developed by Forefront Suicide Prevention at the University of Washington, you will learn the five simple and effective LEARN® steps that empower individuals to help others move in the direction of hope, recovery, and survival. These steps play an important role in helping us recognize when peers, friends, and family might be having thoughts of suicide, and to know how and where to refer those individuals to keep them safe.

Learn from other South Whidbey parents! Let's keep our children safe.
