

Whidbey Island Water Systems Association

Joseph Waldrup Scholarship Application for 2020

Whidbey Island Water Systems Association (WIWSA) is nonprofit organization committed to educating and assisting local water systems provide clean and safe drinking water located on Whidbey Island. To promote water system management and operation on Whidbey Island our organization is offering a \$2,000 scholarship to a 2020 Whidbey Island high school graduate who is interested in pursuing a certificate or AA degree in Water/Wastewater management or similar field at Skagit Valley or Green River Colleges.

Water System Managers are key in providing efficient operation and maintenance of water systems and maintaining infrastructure. There is a large demand for skilled operators/managers due to the aging and retiring of the current workforce.

Name of student: First: _____ Last: _____
